

# MINI KEYBOARD CONTROLLER

CKB-02

## Dimensions

## Features

- ※ 4D joystick for pan/tilt/zoom/focus control,ergonomic design and excellent finishing
- ※ High brightness OLED display
- ※ Auto backlight keys
- ※ Shortcut keys customization
- ※ Sleep functions
- ※ Batch program cameras in the systems
- ※ Support Pelco D/P,VISCA protocols
- ※ Multi-level protection from unauthorized operation or setting
- ※ Multi-baud rate and protocols
- ※ 256 address
- ※ Compact design with portable features

## Specifications

|                     |                                                              |
|---------------------|--------------------------------------------------------------|
| Model               | CKB02                                                        |
| Comm. Interface     | RS-485/rs-232                                                |
| Protocol            | Pelco-D, Pelco-P,VISCA                                       |
| Baud Rate           | 2400bps,4800bps,9600bps,19200bps,38400bps                    |
| Address             | 0 - 255                                                      |
| Joystick            | 4-axis(Left/Right,Up/Down,Zoom in/Out, Focus Near/Focus Far) |
| Display             | OLED                                                         |
| Power               | DC12V                                                        |
| Power Consumption   | < 2W                                                         |
| Working Temperature | 0°C~+40°C                                                    |
| Storage Temperature | -20°C~+50°C                                                  |
| Humidity            | ≤90%(no condensation)                                        |
| Dimensions          | 200mm(L) x 120mm(W) x 103mm(H)                               |
| Net Weight          | 0.5kg                                                        |
